TALIESIN WEST

WELCOME TO

Set in the foothills of the McDowell Mountains, Taliesin West is one of Frank Lloyd Wright's most personal creations. Wright's vision and legacy continue to thrive at this unique location.

A desert escape just minutes from the resorts of Scottsdale, Taliesin West is unlike any other location in the Valley of the Sun to host your event. Here your guests will have the opportunity to engage with Frank Lloyd Wright’s vision and legacy at the only National Historic site in Scottsdale, and one of two UNESCO World Heritage sites in Arizona. Take a private tour of the property, enjoy a performance on an acoustically perfect stage while sipping a glass of wine, and wow your guests with a dinner overlooking the Valley at sunset. Soak up the history, innovation, and awe that can only be found at Taliesin West.

THE CABARET
INDOOR · SEATS 50 · STANDING 60

The Cabaret Theatre is the perfect space for you and your guests to experience the brilliance and delight of a Frank Lloyd Wright design. The unique slope and shape of the room allow for unimpeded views of the small stage below and carry sound perfectly through the space. Garden Squares

With views of the Music Pavilion, Wright’s Studio, and the McDowell Mountains, the Garden Squares are the perfect venue for groups large or small. This space can be adapted to fit your group’s needs, while your guests are fully immersed in the wonder of Wright’s work and the beauty of the desert.
The Kiva is a hidden treasure at Taliesin West. Named after an underground chamber used by Pueblo Indians, the Kiva was one of the first structures built on the property. Once used as a dining room, film screening room, lounge, and library, there is no limit to the uses of this space for intimate gatherings. Perfect for meetings or an exclusive dinner, the Kiva is the most private space on the property.
A blend of Wright’s passions for the arts and bringing the outside in, the Pavilion is a multi-functional hall that can be used for exhibitions, performances, dining, and more. The theatre’s interior includes a series of curtained backdrops that can be arranged to change the depth of the stage, and a uniquely crafted roof that illuminates the room, day or night. Connected to the Pavilion is an outside Terrace filled with the many sculptural masterpieces by Wright’s former apprentice, Heloise Crista. The Terrace is a stunning place to watch the sunset.
